# ANZA COLLECTION

*Design by RUI PEREIRA & RYOSUKE FUKUSADA*

Meaning 'to sit at ease' in Japanese, ANZA is a collection comprising a pouf, bench and coffee table. The generous floating cushion allows for a dynamic seating while the soft outlines create a warm and sophisticated atmosphere. The designers have updated a Kyoto-based textile, originally produced in the 18th century with a patchwork pattern, with a new colour scale to match the official PWtbS colour range. With the possibility of upholstering with a range of textiles according to our pricelist ANZA COLLECTION is easily adapted to any room such as bedroom, living room, hallway or foyer. To complete the seating ensemble, with its high-gloss lacquer or oiled oak finishing, Fukusade and Pereira have also added their own low coffee table based on a similar design vocabulary and featuring a durable Carrara marble top.

This collection aims at enhancing both domestic and public environments.

For the past six years Portuguese designer RUI PEREIRA and Japanese designer RYOSUKE FUKUSADA have been collaborating on projects that tap into their respective cultural heritage to engage users in new and unexpected design experiences. Exploring the full potentialities of materials and manufacturing techniques, they draw upon a sharp design language to ultimately deliver clear and pertinent objects.
