

**METRONOME™** FLOOR LAMP

THE METRONOME SERIES EVOKES THE MEASURE AND BALANCE OF ITS NAMESAKE. A PATINATED BRASS SPHERE PERCHES ATOP THE CONICAL BASE, WHICH IS HAND-WRAPPED IN CALF SUEDE TO PROVIDE A LUSH TACTILE CONTRAST. A CHANNEL IN THE FIRMLY GROUNDED BASE REVEALS AN INTIMATE CONNECTION BETWEEN THE TWO FORMS. A DIMMER KNOB IS SET INTO THE BASE.
