Archier is a young, dynamic architectural and design practice in Melbourne. Founded by three graduate architects, the studio is centred around the workshop – where ideas can be drawn, discussed and prototyped. Archier strive to express a vision, sculpting raw materials in an efficient and open manner.

Rakumba has been producing custom-made feature lighting for the Australian design industry since 1968. Collaborating with designers across a wide range of sectors from commercial to residential, we take pride in our bespoke service, attention to design detailing and ability to deliver on any scale of project.
