Chair

Stackable version (up to 10 chairs) and not stackable upholstered version.

Materials:

FRAME: chrome-plated polished or matt black powder-coated steel. Feet and spacer in thermoplastic material. The model with armrests is also available with an armrest cover in black plastic. Polished chrome-plated steel hook for side-by-side connection.

FIRM SEAT: bent beech plywood, lacquered with anthracite-grey water-based or solvent-based coating, or with white laminate, with visible edge in beech plywood or veneered in natural maple, or in red aniline-dyed beechwood, finished with transparent water-based or solvent-based coating.

UPHOLSTERED SEAT: bent beech plywood, padded with polyurethane foam with light polyester velvet. For the FR (Fire Resistant) versions on request, the filling materials comply with the current regulations.

EXTERNAL COVER: non-removable cover in fabric or leather.
