**Product Description:**

Silver Veil is a large table lamp that features a beaded fringe detail on an angular solid body. The lamp base is plated in pure silver, creating a highly reflective surface that allows the lamp to effectively dematerialize. A curtain of sterling-silver beaded chains encloses two sides of the lamp, veiling the light source and a dimmer dial set with Maw Sit Sit - a rare jade-like gemstone. The dial's placement invites you to touch the beaded curtain as you turn the lamp on and off, creating a mesmerizing motion.
