

RA Série

RA Wall

RA Wall participates in its surroundings by playing with contrasts, shadows and reflections. The circular neon tube emits a bright light that reflects softly on the wall. A solid bronze disc eclipses a part of the light and draws in the hues of the setting.

Lamping Specifications

Power input : 45W
Technology : Cold cathode neon lifetime of 100 000h
CCT* : 2800K (Warm white)
Lumen source : 1800 lm
CRI : 94
Input voltage : 120V - 2 wire dimming control integrated
220-240V - DALI or 1-10V dimming

**Other CCT available upon request*

Product Weight

4.1 kg / 9 lbs

Construction

Hand-bent glass neon tube
Bronze round plate

Certifications

IP20 

Materials

Round plate finishes:
 Polished bronze
 Chrome plated
